Professional Summary

B.Tech Electrical Engineering graduate with hands-on experience in engineering design, technical analysis and design documentation. Skilled in AutoCAD, design calculations, technical drawing interpretation and problem-solving. Strong understanding of engineering principles, material properties and design verification, with a keen interest in aerospace design and structural engineering.

Experience

Design Engineer FEB 2026 – CURRENT

- Developed and reviewed engineering designs, layouts, and technical drawings using AutoCAD.
- Performed design calculations, component sizing, and technical analysis to meet project requirements.
- Reviewed design parameters and identified discrepancies through systematic verification and troubleshooting.
- Collaborated with engineering teams to resolve design issues and deliver projects within defined timelines.

Projects

Energy Efficient Smart City

– Designed and integrated electrical/electronic systems including Solar Tracker, Automatic Street Light, and EV Charging.

– Performed component selection, design calculations, testing, and troubleshooting for system-level implementation.

Skills

TECHNICAL SKILLS

Design Analysis: Engineering Design, Design Calculations, Technical Drawing Interpretation, Design Verification, Tolerance Dimensional Analysis, Problem Solving

Engineering Fundamentals: Strength of Materials, Material Properties, Structural Analysis Fundamentals, Load Path Concepts, Manufacturing Processes

Tools: AutoCAD 2D, MATLAB, PVSYST, MS Excel

Documentation: Engineering Documentation, Technical Reports, Design Review, Quality Checks

Core Skills: Analytical Thinking, Attention to Detail, Troubleshooting, Cross-functional Collaboration

Education

Bachelor of Technology (B.Tech) in Electrical Engineering
Bihar Engineering University July 2021 – July 2025

Senior Secondary (Class XII)
SER Shah College May 2021

Secondary (Class X)
SHRI B C S High School April 2019

Certifications

IPC-A-610 Soldering Standards • Python & Java Certification

Languages

Hindi, English
